FACIAL TREATMENTS

SAPPHIRE PHOTO ABRASION \$160 / Series of 6 \$850

Named after the actual Sapphire granules that make up its unique tip, this crystal-free, suction-free, abrasion technique vibrates while it slowly passes across the skin's surface to painlessly ablate the outer most surface layers of the skin. The result is an immediate improvement in the skin's texture, tone and appearance, while leaving the skin more receptive to the pursuing wet, vitamin infused exfoliation and light therapies, all with no down time.

RESURFACING PEELS \$130 / Series of 6 \$700

Chemical Peels are excellent for general resurfacing, mild scarring, acne, discoloration and diminishment of fine lines. For maximum results, it is best performed in a series.
