reflectionscenter.com

Reflections, center for skin and body, has opened its doors in Livingston, New Jersey, featuring a state of the art aesthetic center dedicated to the treatment and rejuvenation of the skin and body. Founded and directed by Dr. Mitchell Chasin, aesthetic physician and laser specialist, Reflections offers cosmetic and medical treatments in a luxurious and tranquil spa-like atmosphere. Therapies for facial skin rejuvenation include the Fraxel Laser, Intense Pulsed Light Therapy, Non Ablative Skin Resurfacing and Photodynamic therapy. Additionally, Reflections offers Botox Cosmetic and fillers such as Restylane, Captique, Radiesse and Sculptra. Skin tightening therapy and laser treatments for acne, scars, rosacea and melasma are also available. Treatments for the body include Mesotherapy, DermaWave and VelaSmooth for cellulite, as well as laser hair removal, spider vein removal and treatment of vascular anomalies.
